

Consulting Scope for BiOM Innovations Pvt. Ltd.

(BiOM Farms • CeLLXCeLL)

Phased engagement architecture. Each phase is independently scoped and delivers standalone value. Subsequent phases build on prior outputs.

Phase	Service	What It Solves for BiOM	Investment	Timeline
01	One Time Consulting - OTC (2 Brands / Group)	Resolves BiOM vs CeLLXCeLL architecture confusion. Defines positioning: cellular biotech platform, not single-category startup. Creates investor, government, and B2B message frameworks. Delivers design vendor brief for unified identity.	Starts from ₹1,50,000+ GST	4–6 Weeks
02	Brand Naming with Trademark	Trademark screening for BiOM Farms and CeLLXCeLL across Classes 5, 29, 35, 42. Validates naming safety before scaling brand investment. Provides 3–5 alternative options if conflict risk is confirmed.	Starts from ₹50,000+ GST	3–4 Weeks
03	Stature (Founder Brand)	Builds Yadidya Mandalapu's public identity from zero to credible. Positions him as India's cellular biotech pioneer. Creates perception audit, personal brand architecture, content framework, and platform strategy.	Starts from ₹1,50,000+ GST	60–90 Days
04	Linkfluence (LinkedIn Strategy)	Activates Yadidya's LinkedIn presence, the fastest authority channel for biotech investors, APEDB officials, and B2B partners. Profile rewrite brief, content strategy, 90-day calendar framework.	Starts from ₹30,000+ GST	3–4 Weeks
05	13-Stage BrandCreation	Full brand build if platform positioning is validated: visual identity system, legal IP protection, communication architecture, operational readiness, and launch strategy. Scoped after Brand Consulting.	Starts from ₹5,00,000+ GST	12–20 Weeks
—	Advisory Retainer (Optional)	Ongoing strategic counsel during FSSAI regulatory process, investor conversations, and APEDB partnership development. Defined monthly scope with strategy sessions and communication review.	Custom (Min. 3 months)	Ongoing

Total Engagement Value (Phases 01–05): **Starts from ₹8,80,000 + GST** •

Vendor management at 18% of net vendor invoice

Recommended Entry Point

Phase 01 (One Time Consulting) is the recommended starting engagement. It resolves brand architecture and positioning the foundation every subsequent phase depends on. Phases 02–04 can run concurrently once Phase 01 is confirmed.
